

Appl. No. : 10/714,237  
Filed : November 14, 2003

**REMARKS**

The Examiner's amendment to claims 9 and 19 was made of record. Applicant has noticed a clerical error in claim 19. The word "prevents" should be "prevent" because the subject is "at least one flexible leak proof fin and a groove portion" which are the plural. This amendment does not change the scope of the claims and does not constitute new matter or new issue. Applicant respectfully requests entry of this amendment.

In addition, the information disclosure statement of April 19, 2006 was made of record, but no Examiner Initials or Examiner Signature is indicated in the PTO/SB/08 Equivalent. Please indicate the Examiner Initials and Examiner Signature in the PTO/SB/08 Equivalent and return it to us.

Should the Examiner have any questions concerning this amendment, the Examiner is respectfully invited to contact the undersigned at the telephone number appearing below.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
